

WHERE IS COLONEL CHARLES A. BOUTON? HIS CREDITORS GET OUT AN ATTACK AGAINST HIS PROPERTY.

Colonel Charles A. Bouton, engaged in extensive building operations here, remarked a few days ago that he was unable to collect money due him and that if his creditors crowded him too hard he would have to go to a fishing-boat. Apparently he has gone.

Henry E. and Herbert James, who claim that he owes them \$300 on a promissory note, yesterday obtained from Justice Lawrence, in the Supreme Court, an attachment against his property, and on the ground of his default. They state that he recently received \$20,000 from the United States Express Company, he lately erected fifteen houses in Ninety-fifth-st., between Ninth and Tenth aves., and lived at One-hundred-and-fifty-second-st. and Tenth-ave.

His wife, being questioned about his disappearance, said that she did not know where he was and that he had been absent several weeks when he came to facing creditors. She denied, however, that the remark ascribed to the Colonel that he guessed he would have to go to a fishing-boat indicated an intention on his part to avoid his creditors.

It is understood that the Colonel is now in the hands of the courts. He is believed to have been in the city on the 22d inst., but he has since then disappeared.

THE COURTS.

SUIT OVER A COTTON SALE DURING THE WAR. The suit in which John L. Macaulay, formerly a member of the Confederate Congress and now a resident of New-York, demands \$17,700 for losses on a cotton transaction was on trial yesterday in the Supreme Court before Justice Andrews and a jury. Mr. Macaulay, who sues as the surviving partner of the firm composed of himself and his brother, Joseph A. Macaulay, claims that in 1863 the firm owned 167 bales of cotton valued at \$150,000, and that Palmer and Robert R. Kingsbury, since deceased, agreed to sell the cotton and return the proceeds, less a certain commission.

He asserts that Palmer received the cotton at Brownsville, Texas; that \$23,654.50 was realized on its sale, and that the balance, for which the title is brought, was never paid. Palmer pleads the statute of limitations, and says that the cotton was purchased in the rebel country and without authority of the United States, and was transported to places within the Federal lines contrary to law. He charges that the plaintiff and his brother were enemies of the United States, and that they were giving aid and comfort to the enemy. Macaulay was the only witness examined. On cross-examination he admitted that he had been a blockade runner. The trial goes on to-day.

DEEDS OF LEGAL HEIRS. An appeal to the Court of Appeals has been taken by the General Term of the Supreme Court from the decision of the Third Term of the Supreme Court reversing the order of the Special Term granting a preliminary mandamus directing the Commissioner of Public Works to give a permit to open streets for the purpose of substituting cable traction for horse-power on the road. Justice Lawrence, in the Supreme Court, Chambers, yesterday reversed his decision on an application made by stockholders of the Santa Fe and Erie Street Railway Company to have the corporation dissolved, and to have its assets sold. The court says it has a debt of \$250,000 and a prospect of paying it. The counsel for the trustees, in opposing this, produced a letter from the superintendent of the mine, which is in Mexico, stating that silver was being taken from it in such quantities that it was necessary to hire men to guard it.

COURT CALENDARS TO-DAY. SUPREME COURT—CHAMBERS—Before Lawrence, J.—Nos. 3, 37, 38, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146, 147, 148, 149, 150, 151, 152, 153, 154, 155, 156, 157, 158, 159, 160, 161, 162, 163, 164, 165, 166, 167, 168, 169, 170, 171, 172, 173, 174, 175, 176, 177, 178, 179, 180, 181, 182, 183, 184, 185, 186, 187, 188, 189, 190, 191, 192, 193, 194, 195, 196, 197, 198, 199, 200, 201, 202, 203, 204, 205, 206, 207, 208, 209, 210, 211, 212, 213, 214, 215, 216, 217, 218, 219, 220, 221, 222, 223, 224, 225, 226, 227, 228, 229, 230, 231, 232, 233, 234, 235, 236, 237, 238, 239, 240, 241, 242, 243, 244, 245, 246, 247, 248, 249, 250, 251, 252, 253, 254, 255, 256, 257, 258, 259, 260, 261, 262, 263, 264, 265, 266, 267, 268, 269, 270, 271, 272, 273, 274, 275, 276, 277, 278, 279, 280, 281, 282, 283, 284, 285, 286, 287, 288, 289, 290, 291, 292, 293, 294, 295, 296, 297, 298, 299, 300, 301, 302, 303, 304, 305, 306, 307, 308, 309, 310, 311, 312, 313, 314, 315, 316, 317, 318, 319, 320, 321, 322, 323, 324, 325, 326, 327, 328, 329, 330, 331, 332, 333, 334, 335, 336, 337, 338, 339, 340, 341, 342, 343, 344, 345, 346, 347, 348, 349, 350, 351, 352, 353, 354, 355, 356, 357, 358, 359, 360, 361, 362, 363, 364, 365, 366, 367, 368, 369, 370, 371, 372, 373, 374, 375, 376, 377, 378, 379, 380, 381, 382, 383, 384, 385, 386, 387, 388, 389, 390, 391, 392, 393, 394, 395, 396, 397, 398, 399, 400, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410, 411, 412, 413, 414, 415, 416, 417, 418, 419, 420, 421, 422, 423, 424, 425, 426, 427, 428, 429, 430, 431, 432, 433, 434, 435, 436, 437, 438, 439, 440, 441, 442, 443, 444, 445, 446, 447, 448, 449, 450, 451, 452, 453, 454, 455, 456, 457, 458, 459, 460, 461, 462, 463, 464, 465, 466, 467, 468, 469, 470, 471, 472, 473, 474, 475, 476, 477, 478, 479, 480, 481, 482, 483, 484, 485, 486, 487, 488, 489, 490, 491, 492, 493, 494, 495, 496, 497, 498, 499, 500, 501, 502, 503, 504, 505, 506, 507, 508, 509, 510, 511, 512, 513, 514, 515, 516, 517, 518, 519, 520, 521, 522, 523, 524, 525, 526, 527, 528, 529, 530, 531, 532, 533, 534, 535, 536, 537, 538, 539, 540, 541, 542, 543, 544, 545, 546, 547, 548, 549, 550, 551, 552, 553, 554, 555, 556, 557, 558, 559, 560, 561, 562, 563, 564, 565, 566, 567, 568, 569, 570, 571, 572, 573, 574, 575, 576, 577, 578, 579, 580, 581, 582, 583, 584, 585, 586, 587, 588, 589, 590, 591, 592, 593, 594, 595, 596, 597, 598, 599, 600, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611, 612, 613, 614, 615, 616, 617, 618, 619, 620, 621, 622, 623, 624, 625, 626, 627, 628, 629, 630, 631, 632, 633, 634, 635, 636, 637, 638, 639, 640, 641, 642, 643, 644, 645, 646, 647, 648, 649, 650, 651, 652, 653, 654, 655, 656, 657, 658, 659, 660, 661, 662, 663, 664, 665, 666, 667, 668, 669, 670, 671, 672, 673, 674, 675, 676, 677, 678, 679, 680, 681, 682, 683, 684, 685, 686, 687, 688, 689, 690, 691, 692, 693, 694, 695, 696, 697, 698, 699, 700, 701, 702, 703, 704, 705, 706, 707, 708, 709, 710, 711, 712, 713, 714, 715, 716, 717, 718, 719, 720, 721, 722, 723, 724, 725, 726, 727, 728, 729, 730, 731, 732, 733, 734, 735, 736, 737, 738, 739, 740, 741, 742, 743, 744, 745, 746, 747, 748, 749, 750, 751, 752, 753, 754, 755, 756, 757, 758, 759, 760, 761, 762, 763, 764, 765, 766, 767, 768, 769, 770, 771, 772, 773, 774, 775, 776, 777, 778, 779, 780, 781, 782, 783, 784, 785, 786, 787, 788, 789, 790, 791, 792, 793, 794, 795, 796, 797, 798, 799, 800, 801, 802, 803, 804, 805, 806, 807, 808, 809, 810, 811, 812, 813, 814, 815, 816, 817, 818, 819, 820, 821, 822, 823, 824, 825, 826, 827, 828, 829, 830, 831, 832, 833, 834, 835, 836, 837, 838, 839, 840, 841, 842, 843, 844, 845, 846, 847, 848, 849, 850, 851, 852, 853, 854, 855, 856, 857, 858, 859, 860, 861, 862, 863, 864, 865, 866, 867, 868, 869, 870, 871, 872, 873, 874, 875, 876, 877, 878, 879, 880, 881, 882, 883, 884, 885, 886, 887, 888, 889, 890, 891, 892, 893, 894, 895, 896, 897, 898, 899, 900, 901, 902, 903, 904, 905, 906, 907, 908, 909, 910, 911, 912, 913, 914, 915, 916, 917, 918, 919, 920, 921, 922, 923, 924, 925, 926, 927, 928, 929, 930, 931, 932, 933, 934, 935, 936, 937, 938, 939, 940, 941, 942, 943, 944, 945, 946, 947, 948, 949, 950, 951, 952, 953, 954, 955, 956, 957, 958, 959, 960, 961, 962, 963, 964, 965, 966, 967, 968, 969, 970, 971, 972, 973, 974, 975, 976, 977, 978, 979, 980, 981, 982, 983, 984, 985, 986, 987, 988, 989, 990, 991, 992, 993, 994, 995, 996, 997, 998, 999, 1000.

THE COUNTRY'S FOREIGN COMMERCE.

Thursday, May 24—p.m. The Bureau of Statistics' monthly statement of the foreign commerce of the United States makes returns for April which compare favorably with April, 1887. The gain in merchandise exports was \$1,400,000, and the decline in merchandise imports was \$2,800,000. Hence the excess of imports for April this year was \$4,200,000 smaller than in April, 1887. But compared with April, 1886, the excess of imports was \$5,500,000 greater. The specie and bullion movement gives an excess of exports \$785,083, against \$2,394,786 in April, 1887, and \$5,175,971 in April, 1886. The gold exports were \$209,923 greater than the imports, against an export excess of \$1,164,968 in April, 1887, and \$4,461,565 in April, 1886. The month's whole movement leaves a Custom House record of \$11,098,386 against the country, against \$13,618,102 in April, 1887, and against a credit balance of \$1,898,793 in April, 1886. The following shows the country's foreign trade for the month and the net balances for April in three years:

THE COUNTRY'S FOREIGN COMMERCE.

For the ten months July 1 to April 30 of the Government's fiscal year the exports of merchandise were \$20,600,000 less than for the corresponding time of the preceding year and were \$34,800,000 greater than for the ten months ended April 30, 1887. The net exports of merchandise in the last ten months of the preceding year and were \$72,200,000 greater than in the ten months ended April 30, 1886. Hence the net exports of merchandise in the last ten months were only \$3,800,428, against \$52,567,494 in the ten months ended April 30, 1887, and \$41,164,576 in the ten months ended April 30, 1886. The net exports of merchandise in the last ten months gives an excess of exports of \$32,716,493, against a debit balance to the country of \$22,175,875 in the ten months ended April 30, 1887, and \$41,164,576 in the ten months ended April 30, 1886. The following shows the gross values and the net balances for April in three years:

THE COUNTRY'S FOREIGN COMMERCE.

For the four months—January 1 to April 30—of the calendar year the gold movements of three years have been as follows:

Table with columns: Month of April, Exports, Imports, Excess of exports, Excess of imports, etc. Includes entries for April 1886, April 1887, April 1888.

THE COUNTRY'S FOREIGN COMMERCE.

The immigrants entering the United States in the last month numbered 76,670, against 334,668 in the ten months ended April 30, 1887, and 220,919 in the ten months ended April 30, 1886. The amount of the gold offered to the Treasury to-day was only \$384,000, and of them only \$68,100 were accepted; \$1,100 46 at 127 and \$1,000 46 at 128.

THE COUNTRY'S FOREIGN COMMERCE.

The day's engagements of gold for export amounted to \$1,250,000, making the total since May 8 up to \$5,800,000. So much has been taken without affecting the money market, and if necessary some four times that amount might be taken without material effect. The gold export alarmists are respectfully referred to the Government statistics for three years, printed above.

BIG GAIN IN PENNSYLVANIA EARNINGS.

The April report of the Pennsylvania Railroad, printed below, probably marks the turning point in the earnings of that great corporation and its representative lines. For several months the Pennsylvania company has been reporting losses from the large net earnings of the preceding year. For April it reports a large gain. Out of forty-six railroads that have reported their gross earnings for the second week in May, thirty-two which have given gains report an aggregate of \$2,341,976, against \$1,997,944 in the corresponding week of last year. The gain of the fourteen which have reported losses is an aggregate of \$883,142, against \$927,314—a loss of \$94,272, or 10.1 per cent. Of the eleven companies which have reported for this week of May, seven which give gains report an aggregate of \$92,665, against \$349,287 in the week of last year—a gain of \$133,737, or 29 per cent, and four which show losses, including St. Paul, Milwaukee, Lake Shore and Western, and Erie, report a net loss of \$265,563, or 12.3 per cent. And yet in Wall Street speculative circles no note was taken of the earnings of any company except St.

THE STOCK MARKET.

The stock market opened this morning quiet but seemingly in good form. The market generally showed some declines from last evening's figures, but a firmer tone immediately was developed and a rally in prices followed. Dulness was observed at the opening. The market was again pushed to the front and to-day it was successful in materially affecting the whole market. Philadelphia and Reading and New-York and New-England were the chief stocks attacked, and made to add to the demoralizing influence of the St. Paul movement. To-day two prominent speculators, who a week ago were loudest in their bulging expressions on St. Paul, were the conspicuous exceptions of value, not only of St. Paul, but of other stocks. Perhaps their public notes now are no more valuable than were their expressed opinions of a week ago. Every one is asking the question whether the market is a matter of fact that little or no information can be obtained from the company's office in this city containing the many damaging rumors set afloat. The market is now in the hands of the non-speculative holders of its bonds and preferred stock. Probably if the company contemplated the floating of any additional bonds or the doing of any of the things which it is alleged that it will do, the officials would have different ideas of their duties and responsibilities. The day's operations aggregated 268,811 shares, of which 146,141 were for Philadelphia and Reading at 62,519 7-8 and 11,700 shares, and New-York and New-England at 40,783, 21,500 shares, and 14,612 shares of other stocks. The market closed unsettled at about the lowest prices.

WHAT WAS DONE IN BONDS.

Government bonds were dull and steady at quotations as follows:

Table with columns: Bond Name, Price, etc. Includes entries for U.S. 5-20, U.S. 6-30, U.S. 7-30, etc.

More than usual was done in State bonds; Louisiana closed at 90 7/8, North Carolina closed at 94 1/4 and 1-2, South Carolina 65 non-fundable at 4, and Tennessee settlement 65 at 10 1/2.

There was no sale of city bonds.

There is no demand in the market for railway bonds, and the market for them seems to be unaffected by the queer work in stocks, except that the market for the bonds of the large denominated stocks is somewhat depressed. On the boards the day's business was well distributed and prices generally were strong. Erie second 88, Erie first 92, Erie third 92 1/2, Erie fourth 92 1/2, Erie fifth 92 1/2, Erie sixth 92 1/2, Erie seventh 92 1/2, Erie eighth 92 1/2, Erie ninth 92 1/2, Erie tenth 92 1/2, Erie eleventh
